Hi Loretta, I am on the LAHSA Commission, and that morning is our monthly meeting. I could be back in Hollywood after lunch, and the entire afternoon is free that day.

Thank you for checking.

Loretta, we were told by the library staff that if any modifications would be made in front of the library, because it was designed by Frank Gehry, they would have to weigh in on that. (Not sure if that is true – we are just looking to add gates to the alcoves.)

Because it has taken so long to get this meeting, I would suggest that we keep the date and time – and invite them as a courtesy. If they cannot come, and we decide to move forward, at least we'll have some consensus about what to do next.

Let me forward to you the one email exchange I had with the foundation – and that person might be the one to invite.

Thank you so much for pulling this together.

Kerry, I just re-read your initial e-mail to John Szabo. Should a representative from the Gehry Foundation be at this meeting and who would that be?

Many thanks.
